# HIGH COMMISSION OF INDIA WELLINGTON, NEW ZEALAND

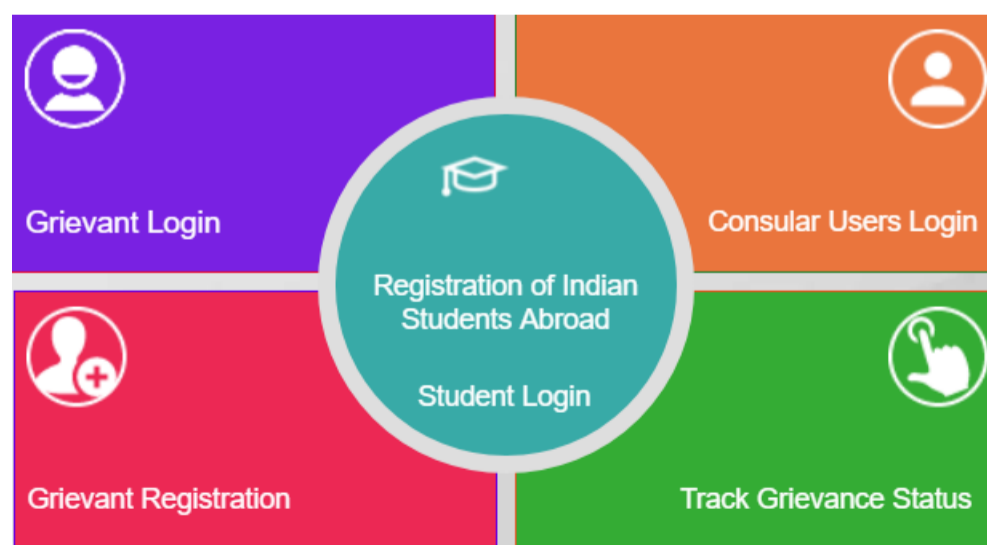

## PRESS RELEASE

### Registration of Indian Students abroad

As you may be aware, **Ministry of External Affairs, Government of India** has been running a portal called '**MADAD**' where Indian students studying or planning to study abroad or Indian nationals residing abroad may register themselves and provide their course / contact details so that they can easily reach High Commission of India in case of any difficulty or grievance while residing abroad.

This also makes it easy for the High Commission of India, Wellington to reach out to Indian students and other Indian nationals in case of any crisis, natural calamity, etc.

All Indian students studying in New Zealand are therefore urged to go to [www.madad.gov.in](http://www.madad.gov.in) and register themselves on the MADAD portal.
