# PREFACE

It gives me great pleasure that in celebration of 75 years of India's Independence and seven decades of India's diplomatic presence in New Zealand, the High Commission of India is bringing out an Indian Community e-Directory. This is the first time that such a comprehensive listing of Indian associations, socio-cultural organizations, dance/music/language schools, places of worship and multi-lingual ethnic media is compiled and presented to the public. This would be found useful by the Indian diaspora and friends of India alike.

I would like to thank all High Commission Officials who are listed below for their sincere efforts in the compilation of this e-Directory over the last few months. The Directory has been compiled on the basis of data available with the Mission and taking into account the information made available by some community organizations. We intend to bring out updated editions from time to time. If any errors and omissions are noticed, these may please be brought to our attention [email: [inf.wellington@mea.gov.in](mailto:inf.wellington@mea.gov.in)] for remedial actions.
